Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Remarks

In response to the Office Action mailed March 26, 2004, applicant hereby affirms
the election described by the examiner in the office action.

Applicant believes that it is apparent that the reference in the office action
summary to withdrawal of claims 1-11 and allowance of claims 12-20 are typographical
errors. The substance of the requirement for restriction seems to indicate that this should

read that claims 15-20 are allowed and that claims 1-14 are withdrawn from consideration.

Therefore, this application is believed in condition for allowance, and reconsideration and allowance of claims 15-20 are respectfully requested.

The Commissioner is authorized to charge Deposit Account No. 13-3393 for any insufficient fees under 37 CFR §§ 1.16 or 1.17, or credit any overpayment of fees.

Respectfully submitted,
